ANSWER TO JURY QUESTION

CASE NO. CR15-01723-TUC-RCC (DTF)

If you wish, you may have the testimony of the defendant, Lonnie Ray Swartz, read back to you in open Court, but you will not have a written transcript. Do you want the testimony read back to you?

YES. Juror 22

Dated: 4/17/2018

Honorable Raner C. Collins
Chief United States District Judge

Because a request has been made for a read back of the testimony of Lonnie Ray Swartz it is being provided to you, but you are cautioned that all read backs run the risk of distorting the trial because of overemphasis of one portion of the testimony. Therefore, you will be required to hear all the witness's testimony on direct and cross-examination, to avoid the risk that you might miss a portion bearing on your judgment of what testimony to accept as credible. The read back could contain errors. The read back cannot reflect matters of demeanor, tone of voice, and other aspects of the live testimony. Your recollection and understanding of the testimony controls.

Finally, in your exercise of judgment, the testimony read cannot be considered in isolation, but must be considered in the context of all the evidence presented.
